_____ I understand that HSP will distribute food based on **household** and not individuals. If HSP notices that you have the same address as another client using the Pantry, you may be asked to verify your address.

_____ I understand that HSP promotes responsible pet ownership and that spaying/neutering my pets, as well as keeping them vaccinated, is part of my responsibility. **I understand that I may not continue to use the Pet Food Pantry after 1 year if my pets are not altered and up-to-date on vaccinations.** I understand I will be required to show proof of spay/neuter and vaccinations.

_____ **I agree to not adopt additional animals during my time using the Pet Food Pantry and I understand HSP will not adopt to me while I am a part of the program.** The addition of pets after registration may result in HSP no longer allowing me to participate in the Pet Food Pantry program. I will alert HSP if I find a stray animal or have an animal that needs to be rehomed. **HSP will consider adopting to clients after 6 months of not utilizing the Pet Food Pantry.**

_____ I understand that all food provided to me was donated by generous members of my community. I also understand that this means HSP cannot guarantee the availability of pet food. This means **that HSP may not be able to provide food for all of my pets.**

_____ I understand that misuse of the Pet Food Pantry, including but limited to, more than one registration per household, simultaneously utilizing our Senior Pet Connection, rude or inappropriate behavior towards staff or volunteers, attempts to adopt, etc. will result in my dismissal from the program.

I understand and agree to abide by the guidelines of the Pet Food Pantry program.
